SRI D. DEVARAJ URS.—I assure this House, through you Madam Speaker, that wherever workers come forward collectively in the form of a Society to take their own rations, Government should be very happy to give it direct to such a society. Whatever might have happened in the past, I am very particular that as far as possible we should avoid middlemen. Let the workers form a society.

ಶ್ರೀ ಕೆ. ಯಂಕಟ್ಟಪ್ಪ (ಶಿಕಾರಿಪುರ).—ಜರೂರಾದ ಸಾರ್ವಜನಿಕ ಪ್ರಾಮುಖ್ಯತೆಯ ವಿಚಾರವೊಂದನ್ನು ಎಂದರೆ, ಶ್ರೀಮತಿ ವೆಂಕಟಲಕ್ಷಮ್ಮನವರು ವಾಣಿವಿಲಾಸ ಆಸ್ಪತ್ರೆಯಲ್ಲಿ ನಿಧನರಾದ ವಿಚಾರವೊಂದನ್ನು ಆರೋಗ್ಯ ಮಂತ್ರಿಗಳ ಗಮನಕ್ಕೆ ತರುತ್ತೇನೆ.

Sri H. SIDDAVEERAPPA (Minister for Health).—

The patient named Smt. Venkatalakshamma aged 27 years was admitted to Vani Vilas Hospital on 17th June 1972 at 7-40 P.M. for delivery.

It is reported by the doctors who attended on her that at the time of her admission she had leaking membranes without uterine contraction. She was not feeling the foetal movements. She informed the doctor on duty that she had come to the hospital about 20 days back. Though she was advised admission that day she had refused being admitted to the hospital. Evidently she was treated outside the hospital. When she came to the Vani Vilas Hospital on 17th June 1972 seeking admission she was not accompanied by any of her relatives. A Midwife from out-side is reported to have accompanied her.

Necessary treatment was given on 17th June 1972 and she was on observation. The next day i.e. on 18th June 1972 the patient was showing signs of improvement but the uterus was still not acting. She was regularly attended to by the doctors on duty and treatment was continued under the supervision of Dr. P. V. Hegde Associate Professor of Obstetrics and Gynaecology of the Bangalore Medical College.
